Antique Louis XVI mantel with overmantel in patinated beige limestone

This large Louis XVI-style fireplace mantel crafted from beige limestone nicely weathered-by-time features a beautifully decorated overmantel adorned with two columns and a raised molded frame. The overhanging cornice is very finely molded. The slanted jambs are simple, and the monolithic lintel acts as a shelf. A unique model.

Height	217 cm
Width	169 cm
Depth	50 cm

- Hearth opening : W 136 cm x H 119 cm - Fireplace height : 140 cm - Overmantel height : 77 cm

Price

7730 €
