

Large 19th Century French Regency-style Volvic stone mantel

This vintage fireplace surround crafted in the 19th century from the Volvic stone, a gray volcanic stone, is a large antique mantelpiece inspired by the French Regency style. This mantel features a pair of straight jambs carved with fluting and a curved lintel that acts as a shelf. This lintel is decorated with moldings, cartouches, and a beautiful geometric motif in the center. A unique model.
