Fountains & Basins

Small & medium-sizes wall-fountains

Provence garden wall fountain with two basins in stone

This large stone wall fountain was hand-crafted in Provence using authentic antique reclaimed stones. This garden fountain features two basins in stone : one smaller basin, an old monolithic sink fitted with 2 bucket-rest bars, and a larger and deep basin for the fountain itself. The pediment is fitted an old wrought iron water spout as well as an antique faucet. The curbstones and the molded cornices are thick.

Height	180 cm
Width	160 cm
Depth	110 cm

- Basin's height : 84cm

Price

5260 €
