

Garden wall-fountain with antique trough in stone

This natural stone garden fountain is a wall fountain with an old massive trough and a stone pediment carved in the shape of a "cocked hat". A round iron bucket-rest bar and a forged metallic water outlet nicely complement this small decorative fountain.

Height 115 cm
Width 47 cm
Depth 72 cm

- Basin's height : 42cm

Price
1750 €
