

Small wash-house-like fountain made of antique materials

This charming wall fountain made of old stones is a garden fountain handcrafted in Provence and inspired by the washhouses of our countryside: antique monolithic stone trough carved in the shape of wash-house basin and narrow pediment in dressed stone surmounted by a diamond-shape capital. Beautiful natural patina. Water outlet in forged wrought iron.

Height 140 cm

Width 77 cm

Depth 130 cm

- Basin's height : 48 cm

Price

1200 €
