Superb village wash-house in aged and patinated stones

This large village wash house is a unique wall fountain crafted with weathered natural stones. It features a pediment flanked by molded corbels and topped by a capital, a large metallic water spout, thick inclined copings reminiscent of a traditional wash house, a double stonework basin separated by a central overflow stone.

Height	162 cm
Width	240 cm
Depth	360 cm

- Copings width : about 35 cm - Basin's height : 54 and 62 cm

Price

10100 €
