Superb wall fountain in stone with sculpted fish as water spout

This exceptional garden fountain is a unique wall fountain crafted in Provence with authentic old stones. It features a large rounded basin made of massive basement stones and a stone work pediment flanked by sculpted corbels and enhanced by a beautiful niche topped by an arched molded lintel. A large hand-sculpted dolphin in stone serves as water spout.

Height	185 cm
Width	365 cm
Depth	240 cm

- Basin's height : 45 cm

Price

9920 €
