Wall fountain in weathered stone with baluster and cast iron lion head

This decorative fountain crafted in Provence with finely sculpted reclaimed old stones is a unique wall fountain featuring an imposing rectangular basin adorned with a balustrade. This basin rests on a molded base and is topped by large and thick copings. The pediment flanked by corbels is decorated with beautiful sculptures and an antique cast-iron lion's head serving as a water spout. The capital if truly magnificent !

Height	180 cm
Width	207 cm
Depth	132 cm

- Basin's height : 85 cm

Price

6370 €
