

Antique stone fountain with octagonal basin and massive ball on base

This garden fountain, handmade in our stone cutting workshop with real and authentic ancient stones, presents an octagonal shaped basin made up of massive stone panels topped up by large curbs. In its center, one finds a large pierced ball placed on a finely worked base. This original center piece works as water outlet. Superb natural patina of time.

Height 100 cm

Diameter 275 cm

- Basin's height : 50 cm - Curb stones' width : 30 cm

Price

4600 €
