

## Small garden fountain with antique trough and rounded pediment

This stone wall fountain is an artisanal composition made in our stone-cutting workshop from authentic reclaimed materials : a massive antique stone trough, a nicely rounded pediment in stone, an old wrought iron water outlet. A garden fountain both sober and rustic that will easily adapt to any type of environment.

Height 127 cm

Width 74 cm

Depth 59 cm

- Basin's height : 50 cm

Price  
**1500 €**
