Large Provence fountain in ancient stones ** SOLD

This beautiful central fountain in old stones is a fountain typical of our villages in Provence ! Made of reclaimed old stones, this central fountain presents an octagonal central column enhanced with a molded capital finished by a small stone vase. It has 4 wrought iron water outlets. The large basin, also octagonal in shape, is fitted with large base blocks and large and thick copings. It is fitted with 4 pairs of metal rest-bucket bars.

Height	250 cm
Diameter	245 cm

- Basin's height : 83 cm

Price
11000 €
