Large wall fountain in reclaimed stones with sculpted head

This large wall fountain is a garden fountain crafted in Provence with beautiful reclaimed old stones (natural stones beautifully weathered and patinated by time). It features a rectangular basin fitted with wide and thick coping stones and a large and tall pediment. In the center of a niche, a mascaron (a hand-sculpted masculine face) sculpted by hand serves as the water outlet. Unique model.

Height	148 cm
Width	225 cm
Depth	95 cm

- Basin's height : 45 cm

Price
4400 €
