

Central fountain with two basins in old patinated stones

This elegant central fountain in natural stone aged and weathered by time presents a tall central column adorned with a magnificent sculpted capital topped by a small stone ball. On one side of this column, a large basin decorated with old copings is watered by an antique water outlet offering a generous flow. On the other side, a smaller basin with 2 metallic bucket-rest bars.

Height 183 cm

Width 170 cm

Depth 267 cm

- Basins height : 50 cm

Price

5500 €
