This small-size wall fountain, ideal for small spaces, is a unique water feature made using authentic reclaimed materials: an old massive stone trough as the basin and an old narrow monolith stone as the pediment. This rustic-looking fountain is sold with its 2 metallic bucket rest bars and its wrought iron water spout. The stone bears a beautiful natural patina.

Height 135 cm

Width 79 cm

Depth 76 cm

- Basin's height: 55 cm
