Large wall fountain of Provence in weathered stone with small sink and gargoyle

This large wall fountain is a one-of-a-kind piece, handcrafted in our stone-cutting atelier in Provence from patinated frost-resistant limestone. Measuring over 2.10 meters in length, this impressive garden fountain features a unique and original design : a large and high basin fitted with thick sloping wash-house-like copings, a beautiful monolithic sink with a hand-sculpted overflowing stone gargoyle, a large stonework pediment topped by a molded cornice. Sold with its 2 old wrought iron water spouts.
