

Large wall fountain of Provence in weathered stone with small sink

This large wall fountain in weathered carved natural limestone is a beautiful fountain of Provence featuring a large and high basin fitted with thick sloping wash-house-like copings and a beautiful monolithic sink with a hand-sculpted overflowing stone gargoyle. The large pediment is topped by a molded cornice. This garden fountain, a one-of-the-kind water feature, is sold with its 2 old wrought iron water spouts.
