

Garden wall fountain with rounded pediment, massive basin and base in stone

This charming garden fountain in weathered carved natural limestone is an ideal wall fountain for small spaces. Easy to install thanks to its monolithic cubic basin, this fountain is a one-of-the-kind water feature. It features a massive basin fitted with a pair of rest-bucket metallic bars resting on a massive thick base and a slightly rounded monobloc pediment. Sold with its old wrought iron water spout.
