4 meters long wall fountain in weathered stones

This large garden fountain crafted with beautifully weathered and patinated stones features a large and deep basin with wide molded copings, a pediment fitted with 3 large antique wrought iron water outlets highlighted by stone relief-carved rosettes, and a beautiful overhanging molded cornice. A unique fountain in frost-resistant limestone.

Height	180 cm
Width	400 cm
Depth	150 cm

- Basin's height : 70cm

Price

18000 €
