Superb oratory in stone with pair of columns and finely sculpted capital ** SOLD

This magnificent oratory in stone is a superb antique religious monument made of aged and patinated natural stones. This religious element from our beautiful rural heritage consists of a thick solid stone base on which rests the niche highlighted by 2 pretty rudented and molded columns. The capital in diamond hape is stunning ! It is finely sculpted by hand and enhanced by an ornament carved in the form of an acorn. A unique model !

Height	220 cm
