Summer kitchen crafted in stone with large antique copper basin

This beautiful summer kitchen is a crafted work ideal for both indoors or outdoors design. It is made of a pair of solid jambs in console in which is inserted a stone shelf, of a thick monolithic working top with a large round copper tray and of a mono-block pediment with an ancient metal faucet. The reclaimed copper basin is drilled and supplied with a small water plug.

Height	137 cm
Width	160 cm
Depth	78 cm

- Copper basin : inner Ø 56 cm

Price

1900 €
