

Bell tower in weathered limestone and its antique bronze bell

This charming bell tower in patinated stones is a unique model of artisanal creation. This bell tower in carved limestone shows an harmonious design thanks to its rounded shape and its rustic-looking natural stones. In the center of the niche features a small old bronze bell with its original clapper. This reclaimed bronze bell dating from the end of the 18th century is signed DUBOIS ROBERT AU PUY.

Height 82 cm
