

Round stone well and its three- branched wrought iron well top

This decorative garden well is an elegant circular water well handcrafted in Provence in Avy stone (a firm and frost-resistant French limestone). It is made of 8 massive rounded stones forming the well itself and of a 3-branched wrought iron well top. Beautiful natural patina of time. Unique model sold with its old pulley.

Height 260 cm

Diameter 140 cm

- Height of the stone well : 90 cm - Inner diameter of the well : 90 cm

Price
6500 €
