

Stunning round garden well made in worn and weathered-by-time stones

This exceptional country-style round well in stone is a unique garden well featuring a circular lower part in aged and patinated stone topped by thick curbs in weathered stone. The old wooden winding system held by two vertical supports in stone is protected by a massive horizontal stone lintel. Sold with its antique chain and crank.

Height 190 cm

Diameter 140 cm

- Height of the well itself : 90cm - Inner diameter of the well : 70cm (approx.)

Price
8000 €
