Antique garden wells

Round well in weathered stone and old wrought-iron structure

This decorative garden well is a charming, round-shaped water well, hand-crafted in Provence from Avy stone (a frost-resistant limestone). It consists of 8 massive curved stone blocks forming the well itself, topped by a reclaimed three-armed wrought-iron structure showcasing exquisite metalwork. A unique piece, sold complete with its original antique pulley.

Height	250 cm
Diameter	140 cm

- Stone well : H 90 cm x Ø 90cm (inner diameter)

Price

7500 €
