Village wash-houses

Gorgeous antique white stone washbasin ** SOLD

Monolith, this beautiful laundry-basin is an ancient and rare stone object. Carved out of a single block of white stone and hollowed out by hand, it has a central basin of a rather deep cubic shape, with slightly inclined drainers on each side. A stone drainer has also been carved at the bottom of the tank to allow the water to flow. A beautiful ancient stone object, robust and perennial, for your garden.
