

Long antique trough in patinated stone : old laundry sink

This beautiful monolithic laundry-sink is an ancient and rare patinated stone trough. Carved out of a single block of limestone and hollowed out by hand, this trough presents a central basin of a rather deep cubic shape with slightly inclined drainers on each side. A beautiful ancient stone item, robust, perennial and ecological, for the garden.

Height 40 cm
Width 160 cm
Depth 68 cm

- Hole : L 70 cm x D 54 cm

Price

2280 €
