

Antique massive rectangular trough in weathered-by-time stone

This large reclaimed stone trough was handcrafted by a yesteryear's stonemason. This monolithic trough has been hand-carved from a single block of hard limestone. Nicely worn and patinated by time, it would now be perfect diverted into a sturdy, ecological and charming planter ! One-of-the-kind.

Height 38 cm
Width 110 cm
Depth 55 cm

Price
650 €
