

Ancient riveted wrought iron gate painted in blue with two doors

This small old gate with double wings in riveted wrought-iron is very elegant. It is composed of base panels of metal ornated with a central decoration of 2 diamonds. The upper bars in square iron are decorated with beautiful scrolls and finished by spear tops. This beautiful riveted construction painted in blue presents a superb natural rust patina on surface. This ancient gate is sold in its juice.

Height 260 cm
