

High and large antique wrought-iron gate with 3 fence doors

This very large ancient gate (3 meters high by 4.65 meters wide) is an old riveted wrought iron construction. It has three fence doors, one of which has a separate smaller gate. The lower part is in solid metal sheet and the upper parts, made of rond iron bars finished with forged lily flowers. Green paint with golden details and rusty scrap metal on the surface.

Height 300 cm

Width 465 cm

Price

3380 €
