

Reclaimed double-doors wrought iron gate sold with its old wrought transom

This two-doors gate in wrought iron painted in green is a unique reclaimed old gate with half paneled doors decorated in the middle with beautiful forged rosettes. The open-worked upper part is ornamented with forged scrolls. The frame and the bars are made of square-section iron. This gate is sold as is, in its juice, with its 2x2 hinges and its magnificent horizontal frieze forged in flat iron (also called transom or pediment).

Height 311 cm

Width 182 cm

- Height of the gate without the transom : 246 cm

Price

1960 €
