This old double-door gate in brown wrought iron is semi-open-worked. Its basement (H 108cm) is made of metallic sheeted panels animated with a square iron frame decoration in relief. The bars are made of flat iron and are nicely decorated with forged volutes and tori. Insert for mailbox on one of the door. Unique model, sold as is with its 2 x 2 fixing hinges. The lock will need to be restored (at your charge).
