Antique brown wrought iron gate for pillars : openwork double-door reclaimed gate

This elegant antique wrought iron gate features two fully openwork doors. The vertical bars are made of square iron, the horizontal bars are made of thick flat iron, and the bars are made of round iron. The central wrought iron decoration is made of flat iron. Riveted and welded construction. Beautiful rust patina on the surface. This one-of-a-kind reclaimed gate is sold as is without hinges or lock.

Height	159 cm
